

UAPSA-UPD ALTERKITEKTURA 2024

PROJECT TYPE

UAPSA-UPD Alterkitektura 2024 Social
Media Campaign

INDUSTRY

Design Competition / Student
Organization

DELIVERABLES

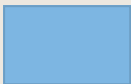

Digital Publication Materials,
Graphics & Copywriting

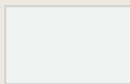

Alterkitektura is a design competition by UAPSA-UPD, exploring alternative approaches to architecture through student-led work. Under the theme "Aghimuan: Blueprint to Net-Zero Architecture," the branding combined blue-green gradients, abstract forms, and geometric compositions to represent the intersection of technology, architecture, and sustainability.
