

MYST FRAGRANCE SOCIAL MEDIA IDENTITY

PROJECT TYPE

Myst Fragrance Overall Social Media Identity & Content Ideation

INDUSTRY

Cosmetics & Personal Care

DELIVERABLES

Digital Publication Materials, Graphics & Copywriting

A social media identity and content concept developed for Myst's online presence. The brand's visual language was translated into a cohesive and engaging social media feed through the ideation of several posts, spanning product-focused content, editorial visuals, interactive concepts, and informational posts.
