

# STRAWBERRY SEASON

## PROJECT TYPE

Editorial Art Zine

## INDUSTRY

Independent / Academic

## DELIVERABLES

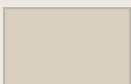

Zine Design, Original Illustration,  
Editorial Sequencing

Strawberry Season is an editorial art zine developed as part of the California Institute of the Arts Graphic Design Specialization, exploring the strawberry as a subject through original illustrations, artwork, and imagery. The project experiments with composition, image-making, and editorial sequencing to build a cohesive visual narrative around a single subject.
