

EXPLORATION WITH PORTRAITURE

Conceptual Photoshoot

creative & visual direction

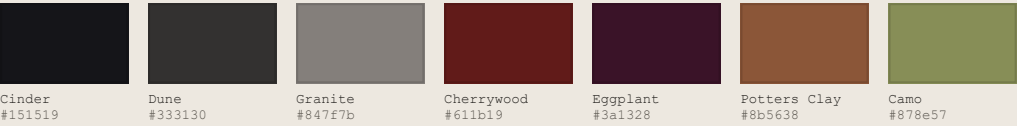

PROJECT TYPE
Academic Project

INDUSTRY
Personal / Editorial

DELIVERABLES
Concept Boarding, Shoot Scheduling,
Shot List & Shoot Direction, Set
Design & Styling, Image Editing &
Post-Processing

A two-part portraiture project exploring unconventional approaches to representing identity and the subject. Still Life of a Restless Mind uses a chaotic domestic environment to externalize creative tension, while Patchwork Personality uses photo manipulation and fragmented styling to explore identity through fashion, multiplicity, and self-expression.
