creative & visual direction

PROJECT TYPE

Concept Boarding, Shoot Direction,
Styling, Post-Processing

INDUSTRY

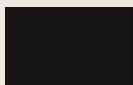

Personal / Editorial

DELIVERABLES

Concept Boarding, Shoot Scheduling,
Shot List & Shoot Direction, Styling,
Image Editing & Post-Processing

A conceptual graduation portrait series that contrasts ethereal imagery with urbex and grunge aesthetics. Shot across UP Diliman and Cubao, the series pairs soft white styling and natural landscapes with weathered architecture and graffiti, using warm muted tones, film grain, and vintage-inspired treatments to create an editorial take on graduation portraiture.
